# VIRAASAT

*Viraasat is a woman-owned enterprise dedicated to preserving the rich culinary heritage of India. We bring back long-lost traditional recipes and reimagine them for modern tastes. Our snacks are handcrafted in small batches, made from the highest quality ingredients sourced directly from farms across the country. These organic snacks are completely free of harmful chemicals and preservatives, made with passion and love. Join us on a journey to rediscover the authentic flavours of India.*
